MAINTENANCE CONTRACT

This will be a bi-annual system check. You will be billed automatically for the system check itself, and an additional invoice may be sent for materials and labor for all items repaired that are not under warranty. You will be notified of any repairs made to non-warrantied items before they are made, and the cost to repair or replace. All warrantied items will be repaired at no cost to the client.

Please note that the prices here are for each site check, of which there will be two per year. You will not be billed until the system check has been completed.

Please choose two separate months when you'd like your system check to be completed

First system check _____ Second system check _____

Once the months have been selected, you'll be placed on our calendar, and informed before we come out for the on site visit. Additionally, you'll be notified when your maintenance has been completed and invoiced accordingly.

Additionally, please indicate how you'd like to pay:

____ Check ____ Visa ____ MC

Card # _____ Exp date _____ CV Code _____

This contract applies to 2016, and will be terminated unless renewed. You'll be contacted by our staff in 2017 for contract renewal options.

If you have questions regarding the number of lights you have; about your existing warranty, or questions in general, please call our office at 361-687-2763.
